

Glentham Walks

No 1

Village Centre Circular Walk (1 mile)

Route

Turn left out of the Crown Inn car park, then turn left again onto Bishop Norton Rd. Continue onto the junction with Washdyke Lane and turn right.

Follow the road to the junction with Middlefield Lane and turn left. At the end of Middlefield Lane turn left, back onto Bishop Norton Rd. Continue on back to the Crown Inn.

Alternative Route

Turn right off Bishop Norton Rd at St Peter's Church and take Little Hill down to the wooden bridge over Seggimoor Beck, joining the main walk on Washdyke Lane.

Points of Interest

Take a few moments to visit the church and look at the mediaeval stone carving over the porch.

Opposite the junction with Washdyke Lane is the grade 2 listed Seggimoor Farm House. 'Seggimoor' is thought to be a corruption of the word 'sycamore'.

From the brow of the rise on Washdyke Lane there is a view to the right of the distant Wolds.
